Sir

******

I have the honour to state that Government sanctioned in G.O. No.D.3040-1/I&C.4-43-2 dated 4th November 1943 the continuance of the above scheme and also the maintenance of duplicate set of records during the year 1943-44.

The above scheme is still in force in British India and the Insurance of the goods of the Depot has therefore to be continued for the duration of the scheme.

Accordingly, I have, in anticipation of sanction of Government taken action to continue the policy for the first quarter of 1944-45 and also the maintenance of the duplicate set of records. The -- maintenance of these accounts involves, the continuance of the post of a clerk on Rs.35 p.m. and also the cost of printing of stock --- Ledgers and Bill books amounting to Rs.300 Per annum.

The total cost involved in this behalf will be debited to the several consignors of the Depot in proportion to the stocks held in the Depot as usual.

I request kind approval of Government to the action taken by me and also sanction to the continuance of the appointment of a clerk on Rs.35 p.m. during the current year.

The Comptroller to the Government of Mysore, Bangalore has also been requested to pass the pay bill of the clerk as usual, in anticipation of sanction of Government.

I have the honour to be
Sir
Your most obedient servant

M R Ramaswamy
Director.
